Music: Guitar, Piano and Voice Lessons:		<p>For prices and lesson times, please contact the ASA Director: jdigiulio@byds.org for more information.</p> <p>Guitar: Guitar lessons will provide students with a fun and disciplined environment to learn music on guitar. The goals will be to learn chords, scales, and rhythm to give the students confidence. Additionally, they will learn about music theory, harmony, and ear training (listening). They will learn the basics of notation and creative improvisation on guitar in a fun positive class. Recommended instruments are classical guitar, Yamaha, or Cordoba with nylon strings.</p> <p>Piano: Individual piano lessons are for students in grades K-5th who want to learn how to play piano from a beginner level or who might already know how to play piano but want to strengthen his/her scales. Students will learn how to play piano by reading music and also develop their ears. Students will assist in picking out some of their piano repertoire and learn to play songs they love!</p> <p>Voice: Individual voice lessons are a way to learn healthy singing techniques, how to make your voice stronger, and to practice your singing. Voice students will learn a variety of vocal warm up exercises, strengthen sight reading skills, and learn several songs ranging from Broadway style – pop music!</p>
