Dear BYDS Families,

As we begin our re-enrollment process tomorrow, we are also very excited to announce a new lunch program for the 2017-2018 school year.

In order to continue to maintain affordable lunch options with well-balanced meals, next year's lunch program will be either "opt in" or "opt out". Included in your Enrollment Contract this year are two options –lunch every day for the school year or no lunch at all for the school year. If you choose to purchase lunch for your child(ren), you will be committed for the entire school year.

The menu will be available online and will look similar to our current hot lunch program. In addition to the familiar menu, a salad bar (with fruit), expanded pasta options, and a cereal bar every day will be included. Below are a few points to remember about our new lunch program:

- Three-Day enrolled CDO and Twos students who participate in the lunch program will do so at a lower rate. This option is available ONLY for three-day students.
- All 5-day students who choose the lunch option are committed to 5 days.
- We will still request and need volunteers to serve lunch.
- The lunch option will be included in the 2017-2018 enrollment contract. Please make sure to check the correct box.
- The lunch program payment will follow the method of your tuition payment.
- We will not offer refunds at any time during the school year. No exceptions.
- Neither daily, monthly, nor semester options are available – only the entire school year.
- Lunch is not considered as part of the award calculation for Financial Aid.
- Price for a 5-day student for the school year: **\$950.00**
- Price for a 3-day student for the school year: **\$570.00**

We look forward to a successful new lunch program.
